

AP WORLD HISTORY

EARLY MODERN TIMELINE PROJECT

Purpose: In AP World History we are driven by five major themes. This project forces each student group to focus on these themes and how that particular theme they chose to research was comparable to other regions in the world how that theme changed over time.

Process: In each class students will be divided into 4 person teams and each team will be assigned a specific . Students will have a period of time to research.

Evaluation: This is a MAJOR GRADE.

Due Date: Day of Test

Rubric:

1. Organization, neatness, clarity
2. 6 pieces of evidence, in chronological order, with their appropriate date.
3. 1 piece of evidence per theme must come from the following regions (South Asia, Middle East/North Africa, East Asia, Western Europe, North America, Latin America). Regions must be identified.
4. Visual images (must be a primary source)
 - a. Artwork, architecture, or photograph-
5. Comparison AND contrast must be in the form of claim, data, commentary. You will need two pieces of data.
6. Change OR continuity must be in the form of a claim, data, commentary. You will need two pieces of data.
